2022 Meat Supplier Affidavit

Farm Name:

Physical Farm Address:

Contact Name:

Phone Number:

Email:

Type of Operation:

Total number of animals:

Is your product USDA certified organic? If so, what certifier do you use?

Does a third-party Animal Welfare certifier audit your operation? If so, what certifier do you use?

If you make any animal raising claims on your label (including, but not limited to "Raised without Antibiotics," "Grass Fed," "Free Range), what claims are made? Do you adhere to the most updated USDA Food Safety and Inspection Service labeling guidelines?

Animals

Are any of your animals genetically cloned or altered?

Are animals physically altered in any way (i.e. tail docking, needle tooth control in piglets, beak clipping in birds, etc.)? If so, please explain the procedure and state whether pain control is utilized.

How many days per year do the animals have access to pasture?

How are individual animals identified?

How are sick animals managed?

Are any animals sold to MOM's treated with antibiotics?

If worming or parasite control is necessary, what methods are used?

Handling

What is the size and stocking rate for each building, pen, or pasture unit?

If confinement is necessary, how much space is provided for each animal?

If in a building, how much floor space is available for each animal?

Do your animals have continuous outdoor access?

If you answered "no" to the question above, please explain why outdoor access is restricted:

*Mom's Organic Market, Inc.
Meat Supplier Affidavit*

Initial: _____

What protections are provided to protect animals against inclement weather?

What protections are provided against predators?
