

2022 Certified Sustainable Palm Oil Affidavit

The Palm Oil industry is linked to major issues such as deforestation, habitat degradation, climate change, animal cruelty and the abuse of indigenous people's rights in countries where it is produced. Palm oil buyers play a key role in shaping this industry's growth in a responsible manner.

MOM's Organic Market goes to great lengths to ensure our products do not exploit the environment or human life. We are committed to only carrying products that use [RSPO certified sustainable palm oil](#). Acceptable sustainable supply chain models include: Identity Preserved, Segregated, and/or Mass Balance. It is for that reason that we ask you to provide the following information about your palm oil supply chain:

1. What RSPO certified sustainable palm oil is used in your product?

Identity Preserved

Segregated

Mass Balance

Other _____

2. Do you have an RSPO certificate?

Yes

No

Please attach RSPO certificates showing supply chain model relating to the products you supply. If you do not have a certificate, please explain and submit fair labor/sustainable palm program or policy:
